

BRISBANE OPEN HOUSE 2024

Be part of Brisbane Open House with a visit to Brisbane's oldest and most-loved cafe on Saturday 13th & Sunday 14th July.

First established in 1936 against the backdrop of the Great Depression, Shingle Inn continues to be the backdrop of special occasions for generations of Brisbane residents and visitors.

Be one of the first 100 people to visit Shingle Inn each day during Brisbane Open House and when you make a purchase, you'll receive one of Shingle Inn's iconic Patty Cakes. Baked in our Capalaba Bakery, we still use the original recipe to create these petite sweet treats that have been loved by customers for generations.

Plan your weekend to take in the historical and architecturally significant buildings of Brisbane and make sure you include a stop at Shingle Inn City Hall.
